Trending Business Valuation

What do you think your business is valued at? Do you have an exit strategy in place and will you be ready to sell when that time comes? If you own your own business and don't have a plan to get out, it's never too late or too early to start planning.

One of the key factors in determining the value of a business is revenue. Based on recent trends, here are some [statistics on valuations of businesses sold within the past five years.](#)

Is it Time To Call Your Business Coach?

When do you know it's time to call your Business Coach?

The overwhelming tasks of growing a business can be daunting and often cannot be done alone.

Coach Madelon Wallace provides insight on how a Business Coach can help you get to your next level of success.
