**Identifying Your Communication Style**

View our profile on [LinkedIn](#)

Follow us on [twitter](#)

How important is your Communication Style to your Business Success? If you haven't considered this, it's time.

For example, if you have more of an Influencing style, you likely enjoy a more connected, engaged tone with your audience. If your team or client is inclined toward analytical communicators, they may find your style invasive and illogical, making it hard to communicate and motivate.
