Who Are Your Target Customers?

Being successful in your business means being able to clearly identify and satisfy your target customers.

Who owns the majority of your customer base, is it the low-value or high-value customers?

Learn the Pareto Principle to gain insight on your current customer base, and focus on the high-value customers and how you're going to get more of them.

From Coached to Coaching

With over 30 years of entrepreneurial experience and giving credit to a business coach he hired early on in his career, Coach Mikke Pierson shares the story of his successful journey.

"With some reflection I realize that the coach I hired had not only taught me about business, but he nourished in me a love of the business process."

Coach Mikke leads with three guiding principles: Educate, Equip, Inspire.
